About The College

Al Shifa College of Arts and Science is a young Higher Education Institution started off in 2020. Within one year of its commencement, the college has made its mark in the higher education sector with student centric activities, collaborations with reputed institutions, add on courses, and all-round support to students in building a worthy career in their respective fields. We aspire to cross the benchmark we have set in other aspects by providing a great exposure to students in academic research too.

The Dept. of English, Al Shifa College of Arts and Science, is a vibrant component of the institution, offering excellent support to the students and organising events which will help empower and upskill the larger community. The Dept., which offers undergraduate programmes in Functional English and English Language and Literature, is involved in a number of initiatives placing students at the centre of the scheme of things. One such initiative, launched as part of World Environment Day, 2021 in association with the Nature Club of the College, is the Invited Student Talk Series (ISTS). This series has been a tremendous success, completing two fruitful years with 43 invited student talks to date. Building on this, we have announced a new addition to our programme: the Invited Scholar Talk Series which features PhD scholars as speakers. The Centre for Development of English Language Skills (CDELS) under the Department of English runs extension, outreach and professional training programmes for the students, faculty and the public. The Centre for Development of English Language Skills (CDELS) under the Dept. of English runs extension, outreach and professional training programmes for the students, faculty and the public. The department took initiative to organise the first Student Seminar at National level in 2021, in collaboration with Farook College (Autonomous), Calicut, which engendered productive discussions in the genre of English Fiction Since 2000. The Department is also collaborating with English Departments of Farook College (Autonomous), Calicut,Vimala College (Autonomous), Trichur, and MES KeVeeYaM College, Valanchery, on a number of areas related to English Language upskilling. The college also organized 'Potter Play', inviting recorded videos on the enactment of a favourite character from the Harry Potter Series, for the school students in 2021. The previous year saw the initiation of "Team Talk," a talk show contest designed for High School and Higher Secondary School students.

About The Theme

Myths are ancient cultural narratives that delve into the mysteries of existence and humanity's origins. Featuring gods, heroes and cosmic struggles, myths convey values and collective wisdom. These stories serve as cultural cornerstones, passing down traditions and guiding principles. Yet, myths can also be misinterpreted or distorted over time. To understand their relevance, ongoing dialogues are crucial, as perspectives evolve with each generation. Platforms like Team Talk provide spaces for students to explore myths, extracting timeless lessons that enrich our understanding of the past and present.
